Position Your Brand at the Forefront of the Lubricant Industry

Lubricant India Expo 2026 is the definitive industry platform where innovation, performance, and expertise converge. Guided by a governing council of top-tier professionals, the expo delivers high-impact conferences and technical workshops curated to the sector's evolving needs. With a sleek, professional brand identity and strategic audience engagement, the event connects global thought leaders, innovators, and decision-makers driving the future of lubrication.

A comprehensive showcase of lubricant solutions, technology and services includes:

Finished lubricants	Fluid filtrations	Biodegradable lubricants	Additives, dispersants, thickeners
Cutting oils:	Automobile oils	Lubricant Technology	Industrial delivery & automation systems
Base oils:	Heat transfer fluids	Sensors & Analysis	Testing & monitoring systems
Smart greases	Metalworking fluids	Storage & logistics solutions	Certifications & Reclamation
Coolants	Hydraulic & brake fluids	Engineering Services	

WHY EXHIBIT?

Gain exceptional visibility and engagement at Lubricant India Expo, India's only specialized event dedicated to lubrication technology and the entire lubricant value chain. Whether you are looking to launch a new product, strengthen your brand presence, or build strategic partnerships, participation in Lubricant India Expo delivers unmatched opportunities.

-  Generate highly targeted, lucrative business deals
-  Develop and strengthen your brand
-  Networking with new companies, consumers and markets
-  Expand your supply chain and dealer network
-  Develop understanding of target market needs and wants
-  Launch your new product and innovations

WHO ATTENDS?

Lubricant India Expo provides both the supply chain and lubricant solution providers with key customer attendees.

For lubricant and technology suppliers, this event provides targeted engineering, maintenance and lubrication personnel from end-user markets, alongside distribution channels and engineering firms working across the globe. For the supply chain, including chemicals, manufacturing solutions and service providers, you can meet with the executives, engineering and R&D teams of lubricant manufacturers from Asia, Europe & Middle east. If you supply chemicals, raw materials, equipment and technology for the lubricant industry, or you supply lubrication solutions for end-user markets, then Lubricant India Expo is where you can connect with thousands of buyers, distributors, maintenance and engineering professionals across the supply chain and end-user communities.

ATTENDING INDUSTRIES INCLUDE:

Lubricant R&D	Metalworking	Automotive
Steel, Cement & Paper	Heavy Equipment (Earth Movers)	Marine and Defence
Mining & Construction	Process & Industrial	Chemical
Pharmaceutical	Packaging	Precision engineering
Lubricant and Grease	Fluid Manufacturers (R&D, Engineering)	Renewable Energy & EV
Transportation	Consumer Goods and Appliances	Power generation

ATTENDEE JOB FUNCTIONS:

- Engineer
- Technical design
- Owner | CEO
- President | GM
- Consultants
- Operations
- Facilities Management
- Maintenance Engineer
- Lubrication Technician
- Project Management
- Purchasing & Procurement
- Sourcing
- R&D Researchers
- Sales / Business Development
- Scientist | Professor

EXHIBITOR PROFILE:

Lubricant Manufacturers	Grease Manufacturers	Fluids Manufacturers
Automation lubrication	Condition Monitoring	Pumps & Sensors
Filtration	Dispensing	Base Oils & Additives
Blending Solutions	Global Distribution	Engineering Services
Testing & Analysis	Storage & Handling	Certification
Reclamation	Logistics	

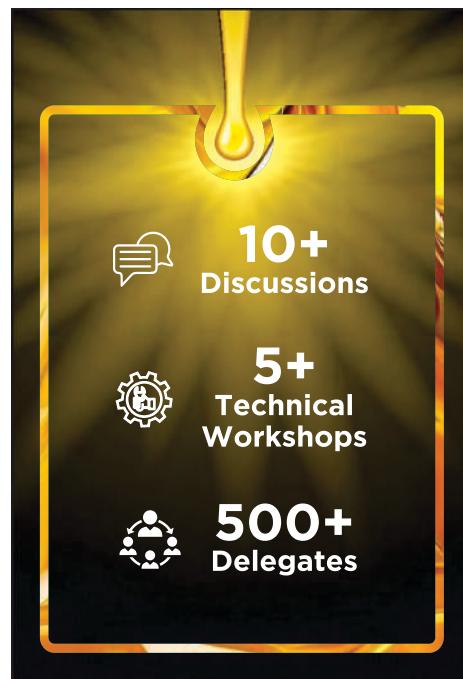

SMART LUBRICANTS SUMMIT

Lubricants Summit conference brings together 50+ expert speakers exploring the challenges, opportunities and developments surrounding and offered by the lubrication universe.

A two-and-a-half-day program of presentations and panel discussions provides attendees with the information they need to reduce costs, improve efficiency, drive sustainability, maximise performance, increase reliability and meet the evolving needs of end-users.

This unique educational opportunity serves two distinct audiences across two conference tracks:

- End-user facilities and OEM's looking for finished lubricants, systems and technology
- Lubricant blenders, formulators and technology suppliers looking for supply chain solutions for the development of finished lubricants and systems

The world-class conference features two concurrent tracks covering industry innovations, challenges, and opportunities through expert-led panel discussions and presentations. Meticulously researched and developed over several months with guidance from an esteemed Advisory Board, the conference delivers expert knowledge and practical solutions that attendees can apply directly to their businesses.

KEY THEMES INCLUDE:

- Next-Gen Additives & Formulations
- EV & Hybrid Vehicle Lubrication
- Automotive lubricants Regulatory readiness (BS6 etc.)
- Enabling productive manufacturing plants
- Industrial Lubrication & Process Reliability
- Heavy-Duty & Off-Highway Innovations
- Bio-based and carbon neutral innovations
- Digital technologies
- Policy & Regulation: Global Shift
- Re-refining & oil reclamation technologies
- Lubricant Market Outlook: 2026 & Beyond
- Customer educational session

INNOVATION ZONE

₹ The future of India lies in ideas, innovation and young minds daring to think differently ₹

Why Participate?

The Innovation Display Zone is a dedicated space where students, researchers, startups and professionals showcase cutting-edge research, prototypes, case-studies and thesis work on vibrant screen in front of industry leaders, OEM buyers and global decision-makers.

Designed to foster technical dialogue and industry engagement, this zone is the ultimate platform to highlight forward-thinking innovations in the lubrication industry.

What We Provide

One LED Screen for project/paper presentation

One Chair & Counter Table for interaction

Listing on the event app and in the fair guide

One complimentary conference delegate pass

Certificate of Participation presented by the Chairman of Advisory Board

Present to 9,000+

industrial visitors & 500+ summit delegates

Direct exposure to CXOs, OEMs, policy makers and research leaders

Recognition & visibility in INDIA'S premier Lubrication platform

MEDIA SPOTLIGHT

with social media coverage & feature in Fair magazine

NETWORKING & MENTORSHIP OPPORTUNITIES
with the Advisory Board & senior experts

Added Value for Participants

Innovation Awards: Top 3 projects recognized during the Awards Ceremony

Post-Event Visibility: Winners featured in the post-event report circulated global professionals

Participation Fee

**₹ 25000/- (exclusive of taxes)
per screen/ per presenter for three days event period.**

Companies can sponsor any presenter with Powered by mention or their officials in order to present his/her idea free of cost. (except sales, business development or commercials job titles).

“Your innovation deserves more than a classroom - it deserves a global stage.”

LUBE FORUM: EXCLUSIVE PODCAST SERIES

Lube Forum – Industry Talk Series, a flagship knowledge-sharing initiative featuring top industry leaders, technical experts and innovators in India's lubricants and industrial fluids industry to share their vision, expertise and product innovations.

BENEFITS FOR THE SPEAKER

- **Thought Leadership:** A platform to share his/her perspective highlighting innovations, sustainability initiatives with industry key stakeholders.
- **Knowledge Legacy:** Inspire a new generation of professionals, engineers, researchers and business leaders in the lubricants sector.
- **Brand Visibility:** Highlight your leadership in product innovations featured across our website, newsletters and social media channels.
- **Industry Recognition:** Establishes his/her thought leadership and cements his role in guiding the narrative for the lubricants sector's growth.

Participation package

Type of Space	Bare Space	Shell Space
Min Area	18 Sq. Mtrs.	12 Sq. Mtrs.
Participation Charges in INR (per sq.m.)	9300/- INR	9700/- INR
Participation Charges in USD (Per sq.m.)	250 USD	300 USD

(18% GST is additional)

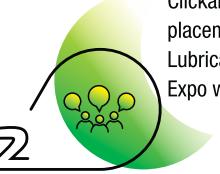

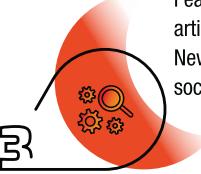

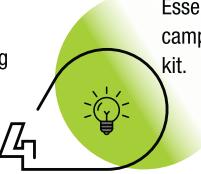

Sponsorship opportunities available for enhanced visibility and impact

Inclusions for Shell Space

 Booth partition walls (rear and side walls) as per stand space	 1 x company fascia board on all open sides (maximum of 20 letters)	 Carpet
 1 x power socket (5 Amp)	 3 x fluorescent lights (2 x 40W)	 1 x reception desk
 2 x seating chairs	 1 x waste basket	 24 hours security

Founding Exhibitor Marketing Package

(Complimentary on 36 sqm2 and above stand packages – Limited Availability)

- 1  Full-page Advertisement in printed Show Guide Magazine
- 2  Clickable logo placement on Lubricant India Expo website
- 3  Featured Exhibitor Spotlight article in Lubricant India Expo Newsletter with accompanying social media posts.
- 4  Essential Invitation campaign media kit.

MEET-ATTENDEES FROM HIGH-GROWTH SEGMENTS:

INDUSTRY OUTREACH PROGRAM

As part of our commitment to year-round engagement, targeted Industry Network Meet across key manufacturing and industrial hubs in India, offering our partners and exhibitors opportunities to network, share insights and generate business leads both before and after the expo. These programs will serve as curtain-raisers and post-event networking touchpoints, strengthening visibility and relationships across the lubricants value chain.
